TOUR OVERVIEW

About This Experience

Kiambethu Tea Estate sits on just 30 acres, with only two acres still under tea cultivation. Upon arrival at approximately 11:00 AM, you will enjoy a cup of tea or coffee while learning about the farm's history and the tea-making process during an informal briefing. Afterward, you will take a guided walk through the tea fields and the indigenous forest with an experienced guide. They will share the farm's rich heritage and explain how tea is grown, harvested, and processed in Kenya. Finally, you will return to the farmhouse for a delicious three-course meal.
